RE: International Settlements Policy Reform (IB Docket No. 02-324)
International Settlement Rates (IB Docket No. 96-261)

Dear Ms. Dortch:

On Wednesday, March 3, Len Cali and I from AT&T and Al Mottur from Brownstein, Hyatt and Farber met with Commissioner Copps and Paul Margie of Commissioner Copps' office to discuss the above-referenced proceeding.

During this meeting, we reviewed AT&T positions in this docket, highlighting the issue of high mobile termination rates and the impact these rates are having on US consumers. We also discussed steps the FCC should take to restrain these rising rates, and how past Commission action in similar circumstances has been effective in lowering prices for US consumers. We also discussed how the Commission cannot rely on foreign regulators to safeguard US consumers against high foreign mobile termination rates.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "D. W. Schoenberger", with a long horizontal flourish at the end.
